

WHITNEY PLANTATION
COMMUNITY BUS FUND

How you can help...

@WHITNEYPLANTATION

Your contribution to the Whitney Plantation Community Bus Fund provides school age children in our Southeast Louisiana community the opportunity to experience stories of resistance, rebellion, and resilience of Africans and their descendants on Louisiana Plantations.

Through *real-world sensory exploration*, students will better understand the history of slavery and its impact on our world. They will learn how that past shapes their present lives.

Why the bus fund?

Whitney Plantation's rural location makes access to the experience even more challenging. The number of field trips has slowly decreased despite the documented advantages of school trips, and the numbers prove it. In 2019 our museum was visited by 7,346 students. In 2022 student visitors are projected to be 2,000.
